

FESTIVAL DE CANNES

CINEPHILES ACCREDITATION

The Festival de Cannes is also open to film enthusiasts and educational groups, within the limits of availability through the "Cannes Cinéphiles" programme.

"Cannes Cinéphiles" accreditations give access to the films of the Official Selection, Semaine de la Critique and Quinzaine des Réalisateurs in some Cannes' theatres. These accreditations do not give access to the professional areas, Palais des Festivals included, which are reserved for professionals of the film industry only.
